Fun Day 2017

Dear Parents and Caregivers,

On Thursday, 14th December 2017 our school will be holding a very special Fun Day. This year we have a jam packed day, full of events, to celebrate another year of Primary School. There will be 4 parts to the day for each class. They are:

Mega Inflatable Obstacle Course

This gigantic, 14m x 14m obstacle course contains a series of twists and turns, crawls and climbs that will have everybody entertained. See <http://bigfun.com.au/product/mega-obstacle-course/> for pictures and information.

Tabloid Water Activities

Students will have a BLAST rotating through a variety of water activities designed to get them (and their teachers) soaking wet!

Class Parties and Activities

Classroom teachers will arrange individual class parties and additional activities suitable to each class.

Whole School Dance Party

The event to end the day – students will rock n roll, wiggle and get their groove on during a whole school dance party under the COLA!

In addition to the above activities, the P & C have generously donated Hot Dogs for the students as a special lunch treat. Students who do not wish to have a hot dog lunch will need to bring their own lunch to school. The canteen will not be open.
