NAIDOC Week Celebration

Wednesday 9th August 2017

Dear Parents and/or Caregivers,

As part of NAIDOC week celebrations the school has organised an exciting incursion with *Young Australia Workshop* that will highlight traditional and contemporary dance, story, culture and artefacts for students K-6.

There will be two sessions held during the day, one for K-2 and one for 3-6. Students will learn the 'leaf' and 'honey bee' dance and traditional language words.

Please fill out the permission slip below and return with payment of \$5.00 to the frog mouth, on or before Friday 4th August.

Student assistance may be available to help with payment for this incursion for families experiencing hardship. Please make contact with the front office if necessary.

Thank you,

Mrs Godkin
Relieving Principal

Miss Yeaman
Aboriginal Coordinator
