SELECT DANCE GROUPS COSTUME REQUIREMENTS

Your child has been rehearsing as part of the Senior Dance Team and/or Boys Dance Group this year. The dance will be performed at this year's concert – TOPS TALENT TIME and on the Performing Group Tour later this term. (a note will be coming home shortly about this). Below are the costume requirements for each item. As these students will also be in a class item, I recommend that they bring their costume in another bag – labelled- that can hold their whole costume while they are in other clothes.

Boys Dance Group – EYE OF THE TIGER

COSTUME: Sports gear. Boys can choose to wear any sport clothing they like from their favourite team. Eg. football jersey, shorts, socks, sneakers (not footy boots), OR basketball shorts, singlet, long socks and hi-tops, OR any other sporting team gear. Boys should have these items at home but if they need to borrow items, please ask early. Team gear does not have to be from a sport they currently play – it can be their favourite national team eg. NRL, NBL...
Check your costume with Ms Watling if you aren't sure.

HAIR: anything "cool"

MAKEUP: This is definitely not essential but bright stage lights do make faces look washed out and pale. Foundation or blush on cheeks can help to avoid this. I will discuss the importance of this with the boys which will avoid any concerns they may have.

Senior Dance Group – SIA – NEVER GIVE UP

COSTUME: Dresses provided by school – Please see costume levy note
no shoes. Students can bring ugg boots or slippers to wear while waiting during the night performance. PLEASE label these.
please ensure you are wearing a crop top/short bike shorts or leotard underneath for a quick costume change

HAIR : braid with long plait where possible.

MAKEUP: This is not essential but bright stage lights do make faces look washed out and pale.
Foundation or blush on cheeks can help to avoid this.
Lip Gloss
Eyeshadow

SENIOR DANCE GROUP COSTUME LEVY

Dear Parents,

Costumes for the Senior Dance Group have been purchased this year and, as in previous years, a costume levy is required to cover repairs and cleaning. By holding our fundraising cake stall, we have been able to reduce this cost to \$10 per student.

It would be appreciated if this could be paid to the school by the end of this term.

Thankyou,

Merryn Watling
Assistant Principal
